

Program: Dark Matter Analysis

“The strength of a logo resides in the negative space...” and this can be extrapolated as “our strength resides in the understanding of what we are essentially made of, on a micro scale as well as on a cosmic one, and that is dark matter”. Logos program is dedicated to such understanding.

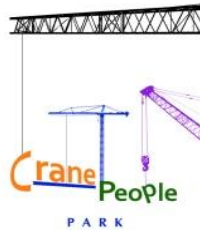

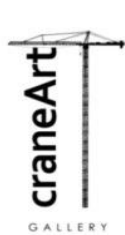

LOGOS

05111955 →

As narrated in "Tess, the tale of time", Logos Inc. was established in Los Angeles 1955, and dedicated to identify the essence of a person, an association or a company, and translate it into a logo.
